County of Muskegon, Michigan  
990 Terrace St.  
Muskegon, Michigan

Dear Mr. Lofgren:

On behalf of Lakefront Development, LLC, I am writing you to confirm our support of Muskegon County's participation in the LinkMichigan initiative.

As one of the developers of commercial property on Muskegon's lakefront, we are vitally interested in making it possible for small businesses and new ventures to have access to the best possible telecommunications services available. One of the principal components of the SmartZone designation awarded to our site is the commitment to supporting the growth of high technology businesses in our area. The LinkMichigan initiative is an important element in support of that plan.

In recognition of the importance of this project to the economic vitality of our county, our region and our State, we are committed to continue our participation with the other members of the Muskegon County Telecommunication Task Force. As a stakeholder in the project, we will commit available staff, expertise and resources as necessary to assist in the planning effort supported by this grant request.

Sincerely,

Christopher L. Kelly
