Dear Mr. Lofgren:

The Muskegon Area Intermediate School District (MAISD) is pleased to lend its support and participation to the Muskegon County LinkMichigan initiative. As you know, the MAISD is significantly involved and deeply committed to providing cost effective, high-speed, broadband connectivity to schools throughout Muskegon County.

Our organization's membership on the Muskegon County Telecommunication Task Force is a clear recognition of the importance of this initiative to the economic vitality of the region. Its success will have a direct benefit to the children and families of Muskegon County.

As an active participant in this work of the Task Force, the MAISD is willing to commit available staff and resources to assist in the planning efforts of the project.

Sincerely,

Michael H. Bozym, Ph.D.
Superintendent
