BPW-09-114 - OPEN PUBLIC HEARING CONT'D

Chairman Engle stated this is a public hearing for consideration of the project plan for proposed improvements to the Muskegon County Wastewater Management System. Prein & Newhof was directed by the Board to prepare the project plan as part of the application for submission to the Michigan Department of Environmental Quality for a low interest loan for financing the proposed improvements. In accordance with the MDEQ public hearing requirement, a transcript of the public hearing will be included in the final project plan submitted to them. One of the purposes of the public hearing is to receive comments on the projected plan by the affected public. Written comments may be submitted and an opportunity for questions and answers and comments will be provided following the presentation of the project plan by Prein & Newhof.

Dave Kendrick introduced Mike Fuller and Mike Schwartz from Prein & Newhof; Paul Hoag & Larry Guenther, wind development people from North Coast; Matt MacGregor from King & MacGregor.

Mike Fuller and Mike Schwartz from Prein & Newhof Engineers gave a presentation on the project plan and answered questions from the Board.

Mr. Hoag answered questions from the Board regarding the wind turbines.

Rick Pedlar, 4858 Kathryn, addressed the Board of Public Works. Mr. Pedlar stated that the Wastewater System attracts birds and expressed concern about the affect the wind turbines would have on the birds. He suggested that a thorough study be done.

Carolyn Weng, 317 Peterson Road, addressed the Board of Public Works. Ms. Weng suggested that the person doing the bird study communicate with her and other birders to exchange information and data on the bird study.

Mr. Jerry Lang, 2010 W. Ridge Dr., addressed the Board of Public Works. Mr. Lang inquired if federal money is involved in this project and if there will be a National Environmental Policy Act document or environmental assessment.

BPW-09-114 - OPEN PUBLIC HEARING CONT'D

Matt MacGregor, King & MacGregor Environmental, addressed the Board of Public Works. This firm will be conducting a bird study in conjunction with this project. They are very interested in any existing bird studies conducted at the Wastewater. Mr. MacGregor stated it is very important to get as much data as possible.

Dave Worthington, MDEQ, stated that the environmental assessment will be available to everyone who is interested in receiving a copy.

Moved by Mr. Derezinski, seconded by Mr. Nash, to close the public hearing at 6:37 p.m.

Motion carried

Chairman Engle stated a transcript of the public hearing and written comments received will be put into the project plan. The project plan will be considered for approval by board resolution at the board meeting of June 16, 2009. The approved project plan must be submitted to the DEQ by July 1, 2009, to be eligible for the fiscal year 2010 financing.

Chairman Engle declared the public hearing closed.

BPW-09-115 - ADJOURN

Moved by Mr. Nash, seconded by Mr. Hepler, to adjourn the meeting at 6:38 p.m.

Motion carried
